**Note:** The Soviet Government started to produce and disseminate aerial propaganda leaflets for Germans on June 22, 1941, the day the German Wehrmacht invaded Russia. The leaflet campaign of the “Soviet Central Series” continued to the very last day of World War II, 8 May 1945. In addition to the “Soviet Central Series” other series of leaflets were used. To facilitate orientation the code is placed prominently at the beginning of the text. For more details and reproduction of some “Soviet Central Series” leaflets see Kirchner: volumes 8, 9 and 14.

## Deutscher Soldat! Auch Dich wird die Kugel treffen!

Hitler treibt Dich in eine neue Offensive. Und wieder sagt man Dir: „Nur noch eine, die allerletzte Anstrengung – und der Krieg ist zu Ende!“

Wieviehnmal schon hast Du gehört, daß die Rote Armee zerbrechen, die russische Luftflotte vernichtet sei und daß das Ende des Krieges ganz nah bevorstehe. Aber die Rote Armee setzt ihren machtvollen Widerstand fort und die russische Luftflotte versetzt der Hitlerarmee immer neue Schläge.

Auch diese Offensive wird nicht ausreichen und Euch um keinen Schritt dem Kriegsende näherbringen.

In sinnlosen Angriffen vergießt Hitler Ströme des Blutes deutscher Soldaten.

Bis zu dieser neuen Offensive hat die deutsche Armee bereits 4 500 000 Soldaten an Toten, Verwundeten und Gefangenen verloren.

**DIE NEUE OFFENSIVE BEDEUTET NEUE BERGE VON LEICHEN.**

Da wirst Dich in der Hinführung: Warum soll es gerade mich treffen, warum nicht meinen Nebenmann? Jeder Deiner Kameraden, die heute im Massengrab liegen, hat genau so gedacht wie Du. So wisse denn –

**auch Dich wird die Kugel treffen!**

Keiner von Euch wird die Heimat wiedersehen. Hitler hat Euch alle dem Tode geweiht.

**Deutscher Soldat! Du kannst noch Dein Leben retten.** Weigere Dich, zum Angriff vorzugehen, der Dich in den Tod führt.

**Gib Dich der Roten Armee gefangen, dann wirst Du nach Kriegsende Deine Lieben in der Heimat wieder umarmen können.**

*Hier wirst Du  
Dein Ende  
finden!*

**PASSIENSCHEN**  
Deutsche Soldaten! Allez, die sich der Roten Armee gefangen geben, wird garantiert das Leben, gute Behandlung und die Heimkehr nach Kriegsende.

**ПРОПУС**  
Германские солдаты! Всем кто сдастся в лапы Красной Армии, обеспечена жизнь, хорошее обращение и возвращение на родину после войны.

## Eine neue Offensive – neue Berge von Leichen

**Deutsche Soldaten!**

Zu Beginn der neuen Offensive an der Ostfront hat sich Hitler mit einem Aufruf an Euch gewandt. Um Euch weiter ins Verderben zu treiben, sagt Hitler Euch wie, Ihr werdet in den nächsten Wochen, alle indochinesischen Sowjetstaaten erobern und den Feldzug gegen Osten vor Einbruch des Winters zu Ende bringen.

Zum **wieviehnmal** verspricht Hitler Euch schon die Beendigung des Krieges!

Er hat Euch angelogen, er werde im Jahre 1940 England zerschmettern und den Krieg beenden. Aber er hat England nicht zerschmettert, dafür jedoch den Krieg gegen Sowjetrußland angefangen. Zu Beginn **des** Feldzugs nach Osten hat er Euch angelogen, er werde **den** Krieg gegen Rußland in 6 Wochen beenden. Fast 4 Monate kämpft Ihr schon, aber Ihr seid vom Ende des Krieges weiter entfernt, als Ihr es im Jahre 1940 wart.

Sowjetrußland mit seiner Bodenfläche von 21,4 Millionen Quadratkilometer verweigert Ihr nie und nimmer erobern. Das Sowjetvolk, das seine Heimat, seine wirtschaftliche Ordnung gegen die räuberische deutsche Flutkatastrophe verteidigt, läßt sich von Euch nicht unterwerfen. Ihr habt weder Ostasien noch Leningrad erobert. Ihr werdet unsere über das ganze Eisenland verstreuten Industriestätten nicht erobern.

Hitler behauptet, die Verluste der deutschen Wehrmacht machten weniger als 5 vom Hundert der Verluste des letzten Weltkriegs aus. Ihr, Soldaten, wißt selber, daß das eine frische Lüge ist.

**MH** Soren Leichen habt Ihr die Ebenen Rußlands bedeckt. Millionen Eurer Familien besorgen ihre Söhne, Mütter und Väter, die Hitler ins Verderben gestürzt hat. Hitler weiß, daß man in Deutschland anhängt gegen diese sinnlosen Opfer
